## Kentucky Commission on Women seeks input from Kentucky women

The Kentucky Commission on Women (KCW) will host town meetings open to the public in 8 locations around the state, from April 30 through May 24. All meetings will be held from 6-8 PM local time. Refreshments will be served and children are welcome. The purpose of these meetings is to hear from women about the strengths and weaknesses of their communities in regard to improving the quality of life for Kentucky women. These meetings will assist KCW in their mandate to advise the Governor, Legislature, and the private sector on issues relating to Kentucky women.
